

## Let's Make a Four-Square Quilt

Let's make a pioneer four-square quilt using eight triangles cut out of coloured paper, fabric or felt. Use your triangles to fill each square and create different patterns on your quilt squares!

Cut out the triangle below to use as a template for your triangles.  
cut eight triangles out of coloured construction paper, felt, or fabric.  
Glue these triangles into your quilt squares, two in each square, to  
create a four-square quilt!
