Telephone: 519-485-2490

**DATE:** Wednesday, March 4, 2026

**FILE:** ZN 5-26-02 (Hermannus and Driesje Van Dam)

**Purpose and Effect of the Proposed Zone Change**

The purpose of this application is to rezone the lot to be retained via Consent Application B25-66-5 from 'General Agricultural Zone (A2)' to 'Rural Residential Zone (RR)' to recognize the new use of the lands as non-farm rural residential and to fulfill a condition of the above-noted consent application.

The effect of the proposed zone change application will be to facilitate the creation of a non-farm rural residential parcel, made surplus as a result of a farm consolidation. The subject lands contain an existing single detached dwelling, a garage, a pool and an existing pond. The severed lands, which are also shown on the attached drawing, are to be conveyed to the northwest via the associated consent application and will remain in the 'A2' zone.

The subject lands are described as Part Lot 35, Concession 14 (East Nissouri), in the Township of Zorra. The lands are further described as the lot to be retained via Consent Application B25-66-5. The lands are located on the west side of 29<sup>th</sup> Line, between Perth-Oxford Road and Road 96, and are municipally known as 297131 29<sup>th</sup> Line, Township of Zorra.

Third party appeals of any decision are not permitted.

If a person or public body does not make oral submissions at a public meeting, or make written submissions to the Township of Zorra or the County of Oxford before the by-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.
