Oxford Road 2 (Dundas Street) reconstruction, Woodstock – Spring 2026

About this project

Oxford County is beginning road reconstruction work on Oxford Road 2 (Dundas Street) between Oxford Road 30 (11th Line) and Oxford Road 12 (Mill Street) in the City of Woodstock. The work includes full road reconstruction; full watermain replacement and size upgrade and select storm and sanitary replacement and size upgrade; replacement of concrete curb, gutter and sidewalks; improved northbound right turn lane at Oxford Road 9 and Oxford Road 2; intersection improvements at Oxford Road 9 (Ingersoll Road); additional traffic calming measures; and a new pedestrian crossover near Youth Start Trail.

Construction work is tentatively scheduled to begin in March 2026 and expected to be completed by November 2026. Construction will take place in three (3) phases:

Phase 1: Oxford Road 2 (Dundas Street) from Oxford Road 30 (11th Line) and Oxford Road 9 (Ingersoll Road). Phase 1 is expected to be complete in summer 2026.

Phase 2A: Oxford Road 2 from Oxford Road 9 to west of Oxford Road 12.

Phase 2B: Intersection of Oxford Road 2 and Oxford Road 12. The intersection will be subject to a temporary four (4) week closure.

Both Phase 2A and 2B are expected to be complete by November 2026.

Please note that construction schedules are weather dependent and subject to change based on site conditions, contractor availability and other operational demands.

How will the project impact me?

Traffic control

During construction, Oxford Road 2 will be closed between Oxford Road 30 and Oxford Road 12. Traffic will be limited to local residents, businesses and emergency services. A detour route will be in place for all three phases of construction:

Detour: Oxford Road 30, Oxford Road 17 and Oxford Road 59 (Vansittart Avenue).

In addition to the detour noted above, additional detours will be in place during Phase 2A and 2B:

Phase 2A Detour: Oxford Road 9, Main Street and Oxford Road 12 (Mill Street).

Phase 2B Detour: Oxford Road 9, Main Street and Oxford Road 59 (Wilson Street).

Garbage and recycling

Access for waste collection is expected to be affected during construction. The contractor will collect homeowner containers and take them to a central location for collection. Property owners are asked to mark garbage, organics and recycling containers with their house number so they can be returned to the correct property. Please continue to have your regular household waste and recyclables on the roadside by 7:00 a.m. on your regular pick-up day.

Safety

Please help keep our community and workers safe: respect work zones, obey traffic signs, and maintain a safe distance from equipment and vehicles entering and leaving the site.
