Oxford Road 2 (Dundas Street) reconstruction

Oxford Road 2 (Dundas Street) will be closed from Oxford Road 30 (11th Line) to Oxford Road 12 (Mill Street/Oxford Street) in Woodstock

About this project

Oxford County is beginning road reconstruction work on Oxford Road 2 (Dundas Street) between Oxford Road 30 (11th Line) and Oxford Road 12 (Mill Street) in the City of Woodstock.

The work includes:

- Full road reconstruction including full watermain replacement and size upgrade, and select storm and sanitary replacement and size upgrade;
- Replacement of concrete curb, gutter and sidewalks;
- Improved northbound right turn lane at Oxford Road 9 and Oxford Road 2;
- Intersection improvements at Oxford Road 2 and Oxford Road 12;
- Addition of bike lanes;
- Additional traffic calming measures; and,
- Pedestrian crossing at the west end of Oxford Road 2, just east of the overhead rail bridge near Youth Start Trail.

Construction work is tentatively scheduled to begin on April 7 and Oxford Road 2 from Oxford Road 30 to Oxford Road 9 will be closed. Work is expected to be completed by November 2026 and will be completed in three (3) phases:

Phase 1: Oxford Road 2 (Dundas Street) from Oxford Road 30 (11th Line) and Oxford Road 9 (Ingersoll Road). Phase 1 is expected to be complete in summer 2026.

Phase 2A: Oxford Road 2 from Oxford Road 9 to west of Oxford Road 12.

Phase 2B: Intersection of Oxford Road 2 and Oxford Road 12. The intersection will be subject to a temporary four (4) week closure.

Please note that construction schedules are weather dependent and subject to change based on site conditions, contractor availability and other factors.

How will the project impact me?

Traffic control

During construction, different sections of Oxford Road 2 will be closed between Oxford Road 30 and Oxford Road 12. Traffic will be limited to local residents, businesses and emergency services. A detour route will be in place for all three phases of construction:

Main detour: Oxford Road 30, Oxford Road 17 and Oxford Road 59 (Vansittart Avenue).

In addition to the detour noted above, detours will be in place during Phase 2A and 2B:

Phase 2A detour: Oxford Road 9, Main Street and Oxford Road 12.

Phase 2B detour: Oxford Road 9, Main Street and Oxford Road 59 (Wilson Street).

Garbage, organics and recycling

Access for waste collection is expected to be affected during construction. The contractor will collect homeowner containers and take them to a central location for collection. Property owners are asked to mark garbage, organics and recycling containers with their house number so they can be returned to the correct property. Please continue to have your regular household waste and recyclables on the roadside by 7:00 a.m. on your regular pick-up day.

Water and sanitary sewer interruptions

Residents within the work area can expect both planned and unplanned water and sanitary sewer interruptions. Every attempt will be made to notify residents in advance.

Private sprinkler systems, landscaping or fencing

Please remove all items on Oxford County property in advance of construction. The County is not responsible for damage to private landscaping items located on County property.

Lawn restoration

Following construction, the contractor will place new sod on affected properties and water it as needed for 30 days after placement. After the 30 days, the sod maintenance and watering is the responsibility of the property owner, as it was prior to construction.

Safety

Please help keep our community and workers safe: respect work zones, obey traffic signs, and maintain a safe distance from equipment and vehicles entering and leaving the site.

Construction map

During Phase 1, traffic travelling north on Oxford Road 9 will have access to Oxford Road 2 travelling east (right turn). Traffic travelling west on Oxford Road 2 will have access to Oxford Road 9 travelling south (left turn). All other access will be limited to local residents, businesses and emergency services. Non-local traffic should use the main detour.

During Phase 2A, traffic travelling north on Oxford Road 9 will have access to Oxford Road 2 travelling west (left turn). Traffic travelling east on Oxford Road 2 will have access to Oxford Road 9 travelling south (right turn). All other access will be limited to local residents, businesses and emergency services. Non-local traffic should use the 2A detour.
