A By-law to amend Zoning By-law Number 25-98, as amended.

WHEREAS the Municipal Council of the Corporation of the Township of South-West Oxford deems it advisable to amend By-law Number 25-98, as amended.

THEREFORE, the Municipal Council of the Corporation of the Township of South-West Oxford, enacts as follows:

1. That Section 2.0 to By-law Number 25-98, as amended, is hereby further amended by adding the following new definitions in alphabetical order in the index and to the corresponding list of existing definitions:

"DETACHED ADDITIONAL RESIDENTIAL UNIT", means an *additional residential unit* located within or attached to a detached *accessory building* that is located on the same *lot* as a *principal dwelling*.

"DISTANCE FROM", means the smallest dimension between two *buildings* or *structures* measured on a two-dimensional plan from the outside face of exterior walls of the foundations.

"GROUND FLOOR AREA, means the aggregate of the maximum horizontal extent of all areas of a *building* measured between the exterior faces of the exterior walls, including retractable walls and roofed projections (e.g. covered *porches*, *decks*, balconies and *carports*). For greater clarity, *ground floor area* shall encompass the total footprint of a *building* that exists above or below grade (e.g. walk-out *basements*) and shall exclude uncovered *decks* and balconies, canopies, and overhanging eaves, which are two metres or more in *height* above *finished grade*.

2. That Section 2.0 to By-law Number 25-98, as amended, is hereby further amended by deleting the following the definitions of "Dwelling Unit Area", "Lot Coverage", and "Principal Dwelling" and replacing them with the following:

"DWELLING UNIT AREA", means the aggregate of the horizontal areas contained within the inside walls of a *dwelling unit*, excluding: any areas used for the storage or parking of *motor vehicles*; a porch or veranda; unfinished *attic*, *cellar* or *basement*; common areas that are accessible by more than one *dwelling unit* (e.g. stairways, elevators, accessibility ramps, laundry); and areas occupied by mechanical equipment.

"LOT COVERAGE", means that percentage of the *lot area* covered by the maximum horizontal extent of all *buildings* and *structures* on the *lot*, excluding the area covered by uncovered *decks* and balconies, canopies and overhanging eaves, which are two meters or more in *height* above *finished grade*.

For greater clarity, *ground floor area* is used for determining *lot coverage*. The calculation of *lot coverage* for *accessory structures* includes the *ground floor area* of any detached *accessory structures* and any *detached additional residential units*. The *lot coverage* of all *accessory structures*, except those exempted under Section 5.1.1.3.1, shall be included in the calculation of the maximum *lot coverage* for the principal *use* of the *lot*.

“PRINCIPAL DWELLING”, means the *single detached dwelling, semi-detached dwelling, or street fronting townhouse dwelling* that has been altered to contain *additional residential unit(s)* and/or is located on the same *lot* as a *detached additional residential unit*.

The creation of *additional residential unit(s)* does not change the *principal dwelling* into any other type of *dwelling* as defined in this By-law.
